With the help of ten enjoyable hour-long lessons, this workbook demystifies the honored science of feng shui, showing the reader how to harness its powers and bring stress-free harmony easily and quickly to every area of the home. This ancient and increasingly popular art can be daunting for the person who wants to learn the basics of feng shui and bring them into the home. Also, with its title claiming to present "10 Simple Lessons," this book could more concisely lay out the basics. A skilled editor would slice out lots of verbal clutter, e.g. examples and details that won't apply to every reader and don't clarify the core ideas. So I subtract one star for hints of superstitious silliness, and another for mediocre style. Three stars = not the most bang for buck, but not a complete waste of time. ...more. Steven Allen: This Feng Shui in 10 Simple Lessons book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is information inside this book incredible fresh, you will get details which is getting deeper anyone read a lot of information you will get. That Feng Shui in 10 Simple Lessons without we understand teach the one who studying it become critical in pondering and analyzing. Don't always be worry Feng Shui in 10 Simple Lessons can bring once you are and not make your handbag space or bookshelves' grow to be full be
