We own Poems, Poets, Poetry: An Introduction and Anthology txt, DjVu, PDF, doc, ePub forms. We will be happy if you come back over.

Poems, Poets, Poetry by Helen Vendler is a great introduction to the world of poetry. It covers, step by step, a variety of styles of poetry, from a number of eras, written by poets of a collection of backgrounds. Note that she explicitly tackles only poetry written in English, as the challenges of translating poetry from a different language into English is an entirely separate (and quite challenging!) subject. So her focus is on the basics - how poetry is written in a given language, how it is interpreted, and what makes it "poetry". A necessary book by a leading authority for anyone who is serious about poetry. Poems, Poets, Poetry: An Introduction and Anthology. Read more. 9 people found this helpful. Poems, Poets, Poetry demystifies the form and introduces students to its artistry and pleasures, using methods that Helen Vendler has successfully used herself over her long, celebrated career. Guided by Vendler's erudite yet down-to-earth approach, students at all levels can benefit from her authoritative instruction. An Introduction and Anthology. Helen Vendler HARVARD UNIVERSITY & Bedford Books Boston.
