

MATT CARTMILL — CURRICULUM VITAE

Date Revised: November 21, 2015

Name: Matt Cartmill

Primary Academic Appointment: Professor

Present Academic Rank and Title:

Professor and Chair of Anthropology, Boston University
Professor Emeritus of Evolutionary Anthropology, Duke University

Date and Place of Birth: 1/4/43, Los Angeles, California

Citizen of: USA

Married: to Kaye Brown, May 29, 1971.

Contact Information:

Residence: 59 Bay State Rd., Apt. 8/9, Boston, MA 02215 U.S.A.

Work address: Dept. of Anthropology, Boston University,
232 Bay State Rd., Boston MA 02215

E-mail: cartmill@bu.edu

Work phone: 617-358-5488

| Education: | <u>Place</u> | <u>Degree</u> | <u>Date</u> | <i>Thesis Title</i> |
|--------------------|---------------------------------|---------------|-------------|--|
| College | Pomona College Claremont, CA | B.A. | 1964 | |
| Graduate School | Univ. of Chicago Chicago, IL | M.A. | 1966 | "Adaptive significance of social patterns in savanna mammals." |
| | Univ. of Chicago Chicago, IL | Ph.D. | 1970 | "The orbits of arboreal mammals: a reassess- ment of the arboreal theory of primate |

evolution."

Professional Employment and Academic Career:

| | |
|-----------|--|
| 1963 | High School Teacher, Chadwick School, Rolling Hills, California. |
| 1964 | Teaching Assistant, Pomona College. (Human and Cultural Evolution) |
| 1967-1969 | Teaching Assistant, University of Chicago, 1967, 1968, 1969. (Human Evolution; Problems and Methods in Prehistory; Primate Evolution) |
| 1969-1970 | Associate in Anatomy, Duke University. |
| 1970-1972 | Assistant Professor, Duke University, Department of Anatomy. |
| 1972-1974 | Assistant Professor, Duke University, Departments of Anatomy and Anthropology. |
| 1974-1981 | Associate Professor, Duke University, Departments of Anatomy and Anthropology. |
| 1981-1983 | Professor, Duke University, Department of Anatomy, and Associate Professor, Department of Anthropology. |
| 1983-1988 | Professor, Duke University, Departments of Anatomy and Anthropology. |
| 1988-2008 | Professor, Duke University, Department of Biological Anthropology and Anatomy. |
| 2008 | Professor, Duke University, Department of Evolutionary Anthropology. |
| 2008-2011 | Professor, Boston University, Department of Anthropology, and Research Professor, Duke University, Department of Evolutionary Anthropology. |
| 2011- | Professor, Boston University, Department of Anthropology, and Research Professor Emeritus, Duke University, Department of Evolutionary Anthropology. |
| 2013-date | Professor and Chair, Boston University, Department of Anthropology, and Research Professor Emeritus, Duke University, Department of Evolutionary Anthropology. |

Courses Taught at Duke:

- Gross Anatomy (Duke University School of Medicine)
- The Human Body
- The Normal Body
- Anatomy of the Limbs
- Anatomy of the Trunk
- General Anthropology
- Introduction to Biological Anthropology
- Human Origins
- Comparative Primate Anatomy
- Functional and Evolutionary Morphology of Primates
- Human Evolution
- The Primate Fossil Record
- Animal Rights
- Evolution and Humankind (FOCUS Interdisciplinary Course)
- The Animal-Human Boundary (FOCUS and Liberal Studies seminars)
- The Scaffolding of Learning (Liberal Studies seminar)
- Moving Drawings: The History, Theory, Esthetics, and Technique of Drawn Film (Liberal Studies seminar)

- Seminars and tutorials in physical anthropology, human anatomy, theoretical systematics, mammalian evolutionary biology, philosophy of science, and history of ideas

Courses Taught at Boston University:

- Human Behavioral Biology and Evolution
- Primate Evolution and Anatomy
- Human Origins
- The Biological and Historical Past
- Creation and Evolution
- The Human Skeleton
- Primate Biomechanics
- Origins (Core Curriculum)

Field Work:

1961. Excavation of Pre-Classic, Classic and Toltec dwelling sites, Teotihuacan, Mexico, under Dr. W.T. Sanders, Pennsylvania State University.
1965. Field study of baboons and other savanna mammals, Rhodesia, under Dr. R.H. Tuttle, University of Chicago.

Publications:

1. Refereed Journals:

Cartmill, M. 1967. The early Pleistocene mammalian microfaunas of sub-Saharan Africa and their ecological significance. *Quaternaria* 9: 169-198.

Cartmill, M. 1971. Ethmoid component in the orbit of primates. *Nature* 232: 566-567.

Cartmill, M. 1974. Rethinking primate origins. *Science* 184:436-443.

Reprinted in R.L. Ciochon and J.G. Fleagle (eds.), *Primate Evolution and Human Origins*, Benjamin Cummings, Menlo Park, 1985, pp. 14-21, and in M.E. Stephens and J.D. Paterson (eds.), *The Order Primates: An Introduction*, Kendall/Hunt Publishing Co., Dubuque, 1991.

Kay, R.F., and M. Cartmill. 1974. Skull of *Palaechthon nacimienti*. *Nature* 252: 37-38.

Cartmill, M., and W.L. Hylander. 1974. On the production, marketing and utilization of the Wenner-Gren casts. *Yearbook of Physical Anthropology* 17: 219-232.

Cartmill, M. 1975. Primate evolution -- were traits selected for arboreal locomotion or visually directed predation? *Science* 187: 456.

Cartmill, M. 1975. Primate evolution: analysis of trends. *Science* 189: 229-230.

Cartmill, M. 1975. Extinction of lineages: irrelevance of ecological hypotheses. *American Anthropologist* 77: 610-611.

- Cartmill, M. 1975. On racism and terminology. *Current Anthropology* 16: 670.
- Cartmill, M. 1976. Welsh vowel mutation: surface phonology and underlying forms. *Linguistic Inquiry* 7: 675-677.
- Kay, R.F., and M. Cartmill. 1977. Cranial morphology and adaptations of *Palaechthon nacimienti* and other Paromomyidae (Plesiadapoidea, ?Primates), with a description of a new genus and species. *Journal of Human Evolution* 6:19-53.
- Reprinted in R.L. Ciochon and J.G. Fleagle (eds.), *Primate Evolution and Human Origins*, Benjamin Cummings, Menlo Park, 1985, pp. 24-40.

f. Major invited addresses and named lectures.

1984. Annual luncheon address, American Association of Physical Anthropologists: "Scientific Method and Mythological Content in Paleoanthropology."

1986. Ermine Cowles Case Memorial Lecture, University of Michigan: "Revolutionary Cant in Evolutionary Rhetoric: The Myth of the Scientific Revolution."

1991. Annual dinner address, Association of Graduate Liberal Studies Programs: "Why Science Matters in the Liberal Arts."

1994. Annual luncheon address, American Association of Physical Anthropologists: "Reinventing Anthropology."

1995. George A. Miller Lecture, University of Illinois: "The Bloody Edge: Hunting and the Animal-Human Boundary in Science and Art."

1995. Howell Lecture, East Carolina University: "Hunting and Nature through History."

1996. James Arthur Lecture, American Museum of Natural History: "Do Horses Gallop in Their Sleep? Consciousness, Evolution, and the Problem of Animal Minds."

1999. L. S. B. Leakey Lecture, California Academy of Sciences / L. S. B. Leakey Foundation: "Language and Human Evolution."

2001. Journal of Anthropological Research Distinguished Lectureship, University of New Mexico: "Paleoanthropology: Science or Mythological Charter?"
2003. American Association of Physical Anthropologists, Annual Meeting, Plenary Session: "Can Biological Anthropology and Cultural Anthropology Co-Exist?" (Presenter and panel member)
2003. Darwin's Birthday Address, North Carolina State University: "Evolution, Creation, and Eternity: What's Wrong with the 'Creation' Part of 'Creation Science.'"
2008. Boston University Provost's Colloquium: "150 Years Without Darwin Is Enough! The Belated Impact of Darwinism on the Study of Human Evolution."
2011. Boston University Colloquium for the Philosophy of Science: "Cultural and Morphological Change in Human Prehistory."
2011. Univ. of Calif. San Diego/Salk Institute, Center for Academic Research and Training in Anthropogeny (CARTA): "Body Fat and Bipedality."
2011. Univ. of Calif. San Diego/Salk Institute, Center for Academic Research and Training in Anthropogeny (CARTA): "'Virginia Avis 50 Years Later: Is Brachiation Still the Crucial Issue?'"
2015. Boston University Center for the Philosophy of Science, Oct. 24, 2015 colloquium on "Convergent Minds." Concluding summary and critique.

6. Professional Awards and Special Recognitions:

- 1962 ACLS Summer Linguistics Scholarship.
- 1964 Honorary Woodrow Wilson Fellow.
- 1964 B.A. *summa cum laude*.
- 1964 Phi Beta Kappa.
- 1966 Sigma Xi.
- 1964-1969 National Science Foundation Graduate Fellowship.
- 1968 Sigma Xi Grant-in-Aid of Research.
- 1971 Student A.M.A. Medical Teaching Award (also nominated 1982, 1983, 1984, 1985).
- 1975-1979 NIH Research Career Development Award (5 years' support).
- 1983 Elected Fellow of American Association for the Advancement of Science.
- 1985-1986 J.S. Guggenheim Fellow.
- 1992 Duke University Scholar/Teacher of the Year Award.
- 1992 Student A.M.A. Medical Teaching Award (also nominated 1998, 2006).
- 1994 Nominee, 1993-1994 Duke Alumni Distinguished Undergraduate Teaching Award.
- 1994 W. W. Howells Award, American Anthropological Association, for *A View to a Death in the Morning*.

- 1995 George Perkins Marsh Book Award, American Society for Environmental History, for *A View to a Death in the Morning*.
- 1996 Elected President, American Association of Physical Anthropologists.
- 1997 Duke Medical Alumni Distinguished Teaching Award.
- 1999-2000 Phi Beta Kappa Visiting Scholar.
- 2000 Davison Society Excellence in Teaching Award.
- 2001 *Journal of Anthropological Research* Distinguished Lecturer (University of New Mexico).
- 2003 Named to Phi Beta Kappa Fellows Lectureship panel of distinguished speakers.
- 2011 Elected Member of UC San Diego/Salk Institute Center for Academic Research and Training in Anthropogeny (CARTA).

7. Editorial Service:

Editorial Board, Yearbook of Physical Anthropology, 1972-1978.
 Section Editor, International Primatological Society, 6th Congress Proceedings (1976-1978).
 Joint Managing Editor (with G. A. Doyle), International Journal of Primatology, 1978-1989.
 Editorial Board, International Journal of Primatology, 1989-2005.
 Editor-in-Chief, American Journal of Physical Anthropology, 1989-1995.
 Series Editor (with Kaye Brown), textbook series *Foundations of Human Biology* and *Advances in Human Biology*, Wiley/Blackwell, 1996-date.
 Editorial Board, *Behavior and Philosophy*, 1997-2004.
 Editorial Board, *American Anthropologist*, 2005-2008.
 Associate Editor, *International Encyclopedia of Biological Anthropology*, 2013-date.
 Manuscript referee for *American Anthropologist*, *American Journal of Physical Anthropology*, *American Scientist*, *Behavior and Philosophy*, *Southern Cultures*, *Current Anthropology*, *Evolutionary Anthropology*, *Evolutionary Theory*, *Journal of Human Evolution*, *Journal of Mammalogy*, *Journal of Anthropological Research*, *Journal of Biogeography*, *Journal of Anatomy*, *Clinical Anatomy*, *Journal of Zoology*, *Natural History*, *Nature*, *Paleobiology*, *Science*, *Yearbook of Physical Anthropology*, *Proceedings of the Royal Society (London)*, *Proceedings of the National Academy of Sciences (U.S.A.)*, etc.

8. Departmental Evaluations:

External evaluator, University of Zürich, Division of Biological Sciences, 1994.
 External evaluator, University of Toronto, Department of Anthropology, 1995.
 External evaluator, University of Kyoto, Primate Research Institute, Divisions of Morphology and of Phylogeny and Systematics, 1996.
 External evaluator, Johns Hopkins University Medical Center, Functional Anatomy and Evolution unit (Cell Biology and Anatomy), 2000.
 External evaluator, George Washington University, Department of Anthropology, 2009.
 External evaluator, Dartmouth College, Department of Anthropology, 2011.

9. Organizations, Participation, and Professional Service:

Executive Committee, American Association of Physical Anthropologists, 1989-1995, 1996-2000.
President, Duke Chapter, Sigma Xi, 1992-1993.
Executive Committee, Duke Chapter, Sigma Xi, 1993-1994.
Local Arrangements Chairman, 65th annual convention, American Association of Physical Anthropologists, 1996.
Chair, Meetings Planning Committee, American Association of Physical Anthropologists, 1996-2012.
Publications Committee, American Association of Physical Anthropologists, 1997-2000.
President-Elect, American Association of Physical Anthropologists, 1996-1997.
President, American Association of Physical Anthropologists, 1997-1999.
Past President, American Association of Physical Anthropologists, 1999-2000.
Constitution and By-Laws Committee, American Association of Physical Anthropologists, 2010-2011.

10. Areas of Research Interest (basic and applied):

Bipedal locomotion
Gait analysis
Origin and differentiation of primates
Evolution of arboreal adaptations in mammals
Evolution of the carotid arteries and basicranium
Origins of higher primates
Origins of language
Theoretical systematics
History of ideas
History and philosophy of science

11. External Support - Gifts, Grants, and Contracts:

Wenner-Gren Foundation Travel Grant, 1966.
Grant from NIH Institutional Grant (RR-5405-09), 1970, for study of arboreal locomotion in mammals.
NIH Research Career Development Award (5 years' support), 1975-1979.
NSF research grant (DEB 82-08797: with R.D.E. MacPhee), 1982-1985, for study of comparative embryology of primates.
J. S. Guggenheim Fellowship, 1985-1986.
L. S. B. Leakey Foundation grant (with D. Schmitt), 1995-1997, for comparative study of the kinematics of bipedal locomotion.
L. S. B. Leakey Foundation grant (with R. F. Kay), 1997-1999, for study of the comparative anatomy of the hypoglossal canal and its bearing on the origin of language.
Wenner-Gren Foundation grant (with R. F. Kay), 1998-2000, for study of the comparative anatomy of the hypoglossal canal and its bearing on the origin of language.
NSF support grant [with I. Lofstrom], 1998-1999, for support of a symposium on animal consciousness.

NSF research grant (BCS-0137930: with D. Schmitt and P. Lemelin), 2002-2008, for study of gait patterns in primates and other tetrapods.

12. Participation in academic and administrative activities of Duke University and Duke Medical Center:

First Year Medical Curriculum Committee, 1972-1974.
Duke Union Board, 1974-1975.
Interim Director, Duke Primate Center, 1977.
Primate Center Internal Advisory Committee, 1977-2001.
Residential Life Committee, 1977-1978.
Director of Undergraduate Studies, Dept. of Anatomy, 1980-1988.
Basic Medical Sciences Faculty Coordinating Committee, departmental alternate, 1987.
Basic Medical Sciences Appointments, Promotion and Tenure Committee, 1987-1990.
Medical Center Awards Committee, 1988-1990.
Faculty Nomenclature Committee, 1988.
Long-Range Medical Curriculum Planning Committee, 1988-1989.
Task Force on Curriculum Modeling (Bradford Committee), 1988-1989.
