Can't Hurt Me is the remarkable description of that journey and the capacity to leverage and better the mind. More importantly, it also teaches you how." - -Andrew D. Huberman, PhD, Professor of Neurobiology, Stanford University School of Medicine.Â His story of beating the odds, of achieving athletic greatness, of serving his country and his charities, and of mastering his own destiny will inspire all of us to reach a little higher and give a little more. 'I will never quit' is a tenet of the Navy SEAL ethos, and one that David Goggins applies to everything he does." - -Admiral Eric Olson, U.S. Navy (Retired); Former Commander, United States Special Operations Command; Chairman, Special Operations Warrior Foundation. "I'm inspired that people like this guy exist. Only you can master your mind, which is what it takes to live a bold life filled with accomplishments most people consider beyond their capability. Human beings change through study, habit, and stories. Through my story, you will learn what the body and mind are capable of when theyâ€™re driven to maximum capacity, and how to get there. I Should have been a statistic. What are the current factors limiting your growth and success? Is someone standing in your way at work or school? Are you underappreciated and overlooked for opportunities?Â Even if youâ€™re feeling low and beat down by life right now, I guarantee you can think of a time or two when you overcame odds and tasted success. It doesnâ€™t have to be a big victory either. It can be something small.
