-----------------------------	---------------------	---------------------

Namibia, country located on the southwestern coast of Africa. It is bordered by Angola to the north, Zambia to the northeast, Botswana to the east, South Africa to the southeast and south, and the Atlantic Ocean to the west. It ranges from arid in the north to desert on the coast and in the east. Info-Namibia is a travel portal for Namibia which provides a lot of valuable information about the country Namibia as well as a free accommodation and activity booking service.Â Namibia Travel Guide. Info-Namibia is a travel portal for Namibia which provides a lot of valuable information about the country Namibia. Especially for the individual traveller Info-Namibia is one of the best internet tools when it comes to planning an interesting, diverse and unforgettable holiday in Namibia. Explore Namibia. Namibia, a large and sparsely populated country on Africa's south-west coast, has enjoyed stability since gaining independence in 1990 after a long struggle against rule by South Africa. Germany took control of the area which it called South West Africa in the late 1800s. The discovery of diamonds in 1908 prompted an influx of Europeans.
