Jesus through Asian eyes is a range of resources designed to help you reach out to the millions of people with an Asian background live in the West. Some have only recently arrived, others have lived in the West for many generations. Asians are often more open to talking about spiritual things than many longer-established residents. There is a huge mission field on our doorstep! How can one resource speak to such a diverse group of people? How does the course work? The emphasis is on friendly, open discussions, which look at passages from the Bible. The Jesus through Asian eyes booklet is designed to be given to Asians of any background. It asks and answers 16 of the most frequently asked questions that people have about Jesus, Christianity and faith in God.
