Green economy. Opportunities for rural europe. <https://enrd.ec.europa.eu>. Funded by the. Economic and social benefits • Jobs and skills • Production potential • Efficient sustainable businesses • New markets and products • Economically viable and prosperous. rural communities. • Social inclusivity. Commitments to the transition towards a green economy are both explicit and implicit in many of the EU's strategic. documents and sectoral policies. The "green economy" is not a headline term in the current EU priorities.³ Nevertheless, green economy transition is a way of integrating a number of the stated priorities, for example the headline priorities around jobs and growth, and climate action.
