Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it actually modified me, altered the way in my opinion.

-- **Ollie Powlowski**

A fresh e-book with a brand new point of view. It really is packed with knowledge and wisdom. It's been designed in an exceedingly simple way and is particularly simply following it. I finished reading this publication through which it actually modified me, altered the way I really believe.

-- **Bernhard Russel**

General John M. Palmer is critical reading for anyone interested in the politics of military manpower."-The Journal of American History. ?
Holley does many things well in General John M. Palmer. He analyzes Palmer's complex personality with care and follows his influence on men and events with caution. He describes Palmer's thinking on UMT with precision and detail, and he shows how Palmer's historical writing did not rise above the selective lessons learned' that characterizes most history written by professional officers. General John M. Palmer is critical reading
