

B.M. FRENCH: FILE FOLDERS (MOON)

Small Publications, Articles, and Photographs

WRITTEN MATERIALS: SHOP; FILE DRAWER 22

Reference materials (various):

newspaper and magazine articles (1-6 pp each)
reprints of scientific articles
fact summaries, information sheets
educational pamphlets and other materials
glossy photographs
Files listed by number of items contained.

Titles of Individual Folders

MOON: Current Science Studies	18	
MOON: "Clementine Mission" (1994)		15
MOON: Basic Information, Statistics	10	
MOON: Statistics, Factn Sheets		13
MOON: History, Chronology		13
Lunar Samples, Past Crises (BMF Records)	43	
Golden Fleece (1976) (18)		
Funding Cut (1978) (10)		
Lunar Sample Audit (1979) (15)		
NASA Headquarters Management Instructs (6)		
NMI 1387.2A (Long-Term Displays)		
NMI 7100.10B (Control of Lunar Materials)		
"3-MINUTE GUIDE TO MOON" (Educational; revised)	50	
do: background publications, articles	10	
MOON: Names, Craters		6
MOON ROCKS: Publicity, Popular Articles (1969-present)	66	
MOON: Popular Articles, Books		14
MOON: Summaries, Teaching Guides		2
MOON: Educational Ideas (Including Planetary)	5	
MOON: Pre-Apollo Studies: Results	4	
MOON: Apollo/Astronauts: Training (photos)		9
APOLLO: Scientific Results (Technical Reviews)	6	

MOON: Thomas Gold Theories		9
MOON: Geology, Surface Features	5	
(MOON): Transient Phenomena		5
MOON: General Articles (Scientific)	59	
APOLLO: Surface Experiments (ALSEPs, Lasers)	6	
MOON: Irradiation and Surface History		8
XTM (Extra-Terrestrial Materials)		3
Solar and Cosmic Ray Histories		
MOON: Post-Apollo Science; Major Discoveries	20	
MOON: (Future) Lunar Missions; Publicity	7	
LUNAR OBSERVER: Science Goals, Working Papers		8
MOON: Galileo Encounters (1990, 1992)		6
MOON: Lunar Science, Exploration		14
Themes and Art Designs		
MOON: Publications; Public Distribution	15	
MOON: Publications: "New Data/Old Rocks" (BMF)		3
"NEW MOON": Copy (1) and Original Illustrations (48)	49	
("What's New on the Moon: BMF, 1976)		
Lunar Sample Displays: Articles, Photographs	21	
MOON: History; Imbrium Publication (Wilhelms) (art)	11	

PHOTOGRAPHS: 8 X 10" GLOSSY B&W PRINTS.

Candidates for "The Moon Book"; Loose, in Boxed Folders
(Listed by Folder Titles)
(Generally 8 x 10" glossies)

(Many used as NASA PR photos; extensively captioned)

1. <u>Pre-Apollo: maps, (Ranger), Orbiter, Surveyor:</u>	43	
2. <u>Apollo: Earth, Moon Pictures; surface, orbital:</u>	69	
3. <u>Moon Rocks: "Mug Shots" (hand-specimen views):</u>	36	
4. <u>Moon Rocks: Thin sections, micro views</u>		64

<u>5. Lunar Soil: Thin sections; Micro-craters</u>	47		
<u>6. Interior: Equipment, Experiments</u>		5	
<u>7. Art: Lunar History</u>			3
<u>8. Cartoons</u>			5
<u>9. Mars: Surfaces, Rocks (Viking)</u>	2		

Other Lunar Photographs: File Folders, Drawer 22
(almost all 8 x 10"; mixed color and b&w)

Lunar Samples (Hand-Specimen "Mug Shots"); JSC Curatorial Facility Operations		47	
MOON: Rocks; Crystalline, Breccias	88		
Soils: Particle, Cores		9	
Thin section photomicrographs			
Electron microscope photographs			
Equipment, Experiments			24
Space Effects: Microcraters, Particle Tracks	77		
MOON: Global Views, Maps		20	
Orbital Views and Maps			18
Surface Views: Surveyor, Apollo		17	
MOON: Interior; Properties and Structure	2		
USSR MISSIONS: Photographs			32
