The Ultimate A-Z Guide from Alchemy to the Zodiac. Adele Nozedar. For Adam and for the seven secrets. "In every grain of sand there lies Hidden the soil of a star"™. Arthur Machen. The aim of this book is to seek a true understanding of the secret signs, sacred symbols, and other indicators of the arcane, hidden world that are so thickly clustered around us. During this process, we'll shed light on the cultural, psychological, and anthropological nature of our signs and symbols. We'll also be surprised to discover that many of the everyday things we take for granted can hold hidden secrets, and by having the key to this knowledge we'll gain an insight into the minds and concerns of our forbears who constructed these symbols. AASKOUANDY. Ironically, the first entry in this encyclopedia is a symbol that is impossible to illustrate because it takes various different forms. An Aaskouandy charm is any object that is unusual in some way, which appears unexpectedly or is somehow out of place in its surroundings. For example, if a stone is found in the entrails of an animal that was particularly hard to hunt, then this stone is perceived to be the object that gave the animal its power, and so is eligible for Aaskouandy status.
